Cross Cultural Programs

Aboriginal people discussing welcome and inclusion

*create an environment where people feel welcome,
safe, recognised, represented,
included in decision making, able to participate and
free from discrimination.*

...to KAURNA country

CITY OF
Port Adelaide Enfield

Aboriginal people have experienced social, political, economic and education disadvantage as a result of colonisation, dispossession, unjust legislation, policies and practices

Aboriginal people in this country have tolerated racism and discrimination longer than any other cultural group

First Peoples at the Forefront of Welcoming and Inclusion

Seeking inclusion is not just about expecting change to come from others
